YOU WILL NEED:

- ▶ *Answer Sheet: Challenge quiz – Business taxes*

CHALLENGE QUIZ: BUSINESS TAX

1. Organise yourselves into teams to play the Challenge quiz: Business tax.
2. Read the rules then do the quiz. (Or, you can use the questions to create your own review challenge activity for the Business tax module).
3. You might want to allow lesson notes to be used during the quiz or have a review session before playing the quiz.

HOW TO PLAY THE CHALLENGE QUIZ

4. Each team chooses a topic from the *Business tax* module.
5. Each team must start by answering one 100-point question correctly before moving to the higher point questions.
6. If a team answers the question correctly, they earn the allocated points.
7. If a team answers the question incorrectly, the next team earns the opportunity to answer the same question.
8. A team has one minute to answer the question. The team can use that time to consult and agree on a response, before the nominated member provides the answer.
9. A team must have a total score of 600 points before they can attempt to answer a 500-point question.
10. Your teacher may apply penalties for students who call out answers or interfere with other groups.

Note: The topics 4 and 5 of the module, *Explaining business taxes* and *The goods and services tax (GST)*, are covered in part 4 of the Challenge quiz under the combined topic of *Business tax*.
